

# HIGH SCHOOL COURSE/ GRADE INFORMATION

By completing this section, you will add significantly to your academic profile. This information will be sent to the college(s) you chose on page 1. ACT will also calculate an unweighted GPA on a 4.0 scale based on your grade responses and report it to the colleges you request in block M.

**COURSES TAKEN OR PLANNED:** Indicate whether or not you have taken each of the high school courses listed below and, if not, whether you plan to take the courses before you finish high school. Be sure to fill in one oval for **EACH** course, **even those you have not taken**.

**GRADES EARNED:** For each course you have completed or have taken for a full term (semester, quarter, etc.) indicate the **final** grade (last grade) you received. If you took the course for more than one term, report only the **LAST** term grade you received. Convert numeric grades to the corresponding letter grades. Round to the closest letter grade if necessary. Leave blank if you have not yet completed a full term or if a grade was not awarded for the course.
